

HLS Therapeutics Announces Final Redemption of Preferred Shares

- **Redemption completes last step resulting from the 2018 Plan of Arrangement**

TORONTO, Jan. 4, 2021 /CNW/ - HLS Therapeutics Inc. ("HLS" or the "Company") (TSX: HLS), a specialty pharmaceutical company focusing on central nervous system and cardiovascular markets, announces that it intends to redeem the remaining 3,655,036 of the Company's outstanding Class A preferred shares ("Preferred Shares") on January 11, 2021 ("Final Redemption"). The remaining balance in the escrow account created for this purpose will be used to redeem the preferred shares at a price of CDN \$0.70 per share (the "**Redemption Price**"), for a total redemption payment of approximately CDN \$2.6 million (the "Aggregate Redemption Payment").

A notice of Final Redemption will be provided to registered holders of Preferred Shares in accordance with the rights, privileges and conditions attached to the Preferred Shares (the "Share Terms"). HLS expects that the notice will be mailed on or before January 4, 2021. Non-registered shareholders (i.e. shareholders that hold their Preferred Shares through a broker or other intermediary) should contact their broker or other intermediary for information regarding the redemption process for Preferred Shares in which they hold a beneficial interest.

Under the plan of arrangement (the "Arrangement") involving former HLS Therapeutics Inc. and Automodular Corporation ("AMD") completed on March 12, 2018, former shareholders of AMD received common shares of HLS and Preferred Shares in exchange for their common shares of AMD. The purpose of the Preferred Shares was to facilitate the distribution to such shareholders, through one or more redemptions of Preferred Shares, of the net settlement proceeds from AMD's litigation with General Motors Company and General Motors of Canada Limited (the "GM Claim") and certain additional AMD funds (deposited into an escrow account on closing of the Arrangement) to the extent such funds are not used by HLS to satisfy legacy AMD claims.

Previously, on May 9, 2018, HLS announced the redemption of 9,321,491 (71.83%) of the Company's outstanding Preferred Shares on a pro rata basis (the "Partial Redemption"). The Aggregate Redemption Payment announced today represents the net settlement proceeds in respect of the GM Claim less the Partial Redemption and costs related to satisfying legacy AMD claims since the Arrangement. The Aggregate Redemption Payment has been approved for distribution to holders of Preferred Shares by the Board of Directors of HLS in accordance with the Share Terms.

The Company's transfer agent and redemption agent is Computershare Investor Services Inc. Questions regarding the redemption process may be directed to Computershare at 1-800-564-6253 or by e-mail to corporateactions@computershare.com.

ABOUT HLS THERAPEUTICS INC.

Formed in 2015, HLS is a specialty pharmaceutical company focused on the acquisition and commercialization of late-stage development, commercial stage promoted and established branded pharmaceutical products in the North American markets. HLS's focus is on products targeting the central nervous system and cardiovascular therapeutic areas. HLS's management team is composed of seasoned pharmaceutical executives with a strong track record of success in these therapeutic areas and at managing products in each of these lifecycle stages.
